ANUP CHHOTELAL JAISWAL

MUMBAI, MAHARASHTRA

+917208308300 | anupjaiswal1607@gmail.com | LinkedIn | GitHub | HackerRank/CodeChef

EDUCATION

Thakur College of Engineering and Technology	**01/2021 - 06/2024**
Bachelor of Engineering (B.E), Computer Science – CGPA - 9.40	Mumbai, India

National Education Society Junior College	**08/2018 - 03/2020**
HSC Maharashtra State Board, Science – Percentage – 82.31%	Mumbai, India

Ideal English High School	**07/2017-03/2018**
SSC Maharashtra State Board, Science – Percentage – 84.40%	Mumbai, India

COURSEWORK / SKILLS

- Data Structures & Algorithms
- Machine Learning
- Artificial Intelligence
- OOPS Concept
- Data Analytics

PROJECTS

Handwritten Digits Recognition	Machine Learning	**10/2022 - 11/2022**

- Handwritten digits recognition is a machine learning task that involves training a model to identify handwritten digits from images.

Code

Salary Prediction Model	Machine Learning	**07/2022- 08/2022**

- Estimate the employee's expected salary based on his/her experience year.

 Code

Detection of Vehicle Number Plate	Machine Learning	**03/2022 - 04/2022**

- Use easyocr to extract the text from the number plate of a vehicle.

 Code

INTERNSHIP

The Sparks Foundation	**09/2022 - 10/2022**

Data Analysis Intern

- Built a Supervised Machine Learning Model which predicts Student's scores based on no of hours studying

TECHNICAL SKILLS

Languages: Python, C, C++

Tools: VS Code, Power BI, MS-Excel ,Jupyter Notebook, Colab

Technologies/Frameworks: GitHub

CERTIFICATIONS

- Machine Learning   - Intershala

- Essential Mathematics for Machine Learning – NPTEL

- C++ Training – Spoken Tutorial, IIT Bombay

ACHIEVEMENT

- On HackerRank, I earned a 5 Star for Python & Problem Solving.

- I have solved 50+ contest problems on Codechef
